My Fellow Legionnaires, Ladies Auxiliary and Sons of American Legion,

Well, it is mid-January... cold, wet and shoveling snow times. Our membership year is winding down. It is time for other Legion programs -Police Officer, Firefighter, Civilian Lifesaver of the Year and Boys State interviews. We had a great year in membership so let's roll that over into other programs. High School graduation is right around the corner and our Posts and the Department has scholarships available. We at the Legion do so many things that benefit our Communities. We need to let others know what we do and the things that are available to them. All of this helps our programs and our Posts grow. It is also time to think about stepping up and running for an office in the Post, County and District. We need more members to take an active role in our Posts. If you have time step up and let us know. Thanks for being a member of a great organization.

For God and Country,

**JERRY WILSON
