Legionnaires, Ladies Auxiliary, and Sons of the Legion,

I hope this finds you well. The next couple of months will be busy ones at Post 199. The Ladies Auxiliary Fish Fry's will begin on March 3, 2017. I hope you will come out and support them! We have scheduled several Euchre tournaments, another Dart tournament, two breakfasts and several music nights. I hope you will be able to make several events! Al Buxton our Post service officer asked me to share with you the following information about when a loved one passes away. Please read it and if you have any question please contact Al @ 513-225-1489 or Al's email address is asbuxton69@gmail.com

VA has established a streamlined process for families, executors and legal representatives to follow to notify VA about the death of a Veteran enrolled in the VA health care system.

Why should I notify VA about the death of an enrolled Veteran?

By updating the Veteran's information, you will reduce the likelihood of VA continuing to send you correspondence about VA benefits, services and bills.

The steps for notifying VA are simple and easy to follow.

1. Step one is for the next-of-kin and/or legally authorized representative under State law to retrieve an official copy of the Veteran's death certificate.
2. Step two is to submit the death certificate to VA by:
 - A. By hand delivering or mailing a copy of the death certificate to the Office of Decedent Affairs at the VA facility where the Veteran was receiving healthcare.
 - B. By contacting the VA Health Resource Center at 1-877-222-VETS (8387) for additional instructions.

I hope to see you at the Post really soon. Until next time please keep the all servicemen and women serving our Country around the world in your thoughts and prayers!
