Legionnaires, Ladies Auxiliary, Sons of the Legion and American Legion Riders,

Hello Fall, not sure I am ready for what comes next. I hope all members have renewed their dues in our American Legion and all of the various parts of our Legion family- Ladies Auxiliary , Sons of the American Legion and American Legion Riders- all of our organizations make up our American Legion Family and each and every one of you are so very important to the survival of our organization.

So take out your Legion card and make sure it has 2018 membership year on it. If not please send your dues in today! We need your continued commitment to our organization and while we are talking about commitment I am very proud to say that each one of our groups including our Color Guard donated \$250.00 each to the American National Relief Fund to go towards hurricane relief. I sent checks totaling \$1250.00 from our family to help other Legion Families. One of the great things about the American Legion National Relief Fund is that 100% of your donation goes towards helping another Veteran and or their family in time of need.

I hope to see you soon at one of our Post functions- a meeting, breakfast or just drop down to chat. Until next time please keep our troops serving around the world in your thoughts and prayers.

Jerry Wilson, Commander
