Dear Legionnaires, Ladies Auxiliary, Sons of the Legion and American Legion Riders,

Well, I don't know about you but the Summer to me just breezed by and here we are into Fall. Before you know it we will be ringing in the New Year!

We have been very busy with many different events this year and just couldn't do it without our many great volunteers from all four groups! I want to thank everyone who has volunteered at any and all events.

Our Post is working very hard to reach quota by Veterans Day. Please if you haven't paid your 2019 Legion dues please do it today. Make your check payable to- Yeager-Benson Post 199 for \$35.00 and either drop it down at the Post- we open every day at 12 Noon or mail it to Yeager-Benson Post 199 PO 603 Harrison, Ohio 45030. For any reason you can't afford to pay your dues please contact me at 513-476-1969 or email me at jerryw199@yahoo.com. We need your continued support of our American Legion. If we are quota by November 11, 2018 there will be a drawing for five (5) \$500.00 winners! Please support our Post as we strive to make quota this year.

I want to wish everyone a Happy Thanksgiving and please remember our troops in your thoughts and your prayers.

Jerry Wilson, Commander

Dear Veteran:

Flu season is here again, and the U.S. Department of Veterans Affairs (VA) and Walgreens\* are teaming up to make it easier than ever to stay healthy. Now, protecting your health with an annual flu shot is as close as your local VA health care clinic or neighborhood Walgreens! Here's where you can get your flu shot:

- **VA medical centers and clinics**, as always, provide **no-cost** flu shots during any scheduled VA appointment or at one of the walk-in flu stations. To learn more, contact your VA health care facility.
  - **Walgreens will also offer eligible Veterans, enrolled in the VA health care system, no-cost flu shots\* from August 15, 2018 – March 31, 2019.** Once you get your flu shot, Walgreens will safely and securely transmit the record of your flu shot to your VA electronic health record. It's a convenient option just for you. When you visit Walgreens for your flu shot, simply tell your Walgreens' health care professional that you are a Veteran patient enrolled in the VA health care system, and show your VA ID card, a second form of photo ID, and this letter. Walgreens will take it from there. For store locations and hours, go to [www.Walgreens.com](http://www.Walgreens.com) and select Store Locator.
- Please remember that the type of vaccination offered is the Quadrivalent vaccine only. If you need a high dosage (HD) vaccination please contact your nearest VA medical facility for availability of type of vaccination.*
- **Other non-VA providers and pharmacies**<sup>2</sup> are also options, and some employers provide flu shots. They're offered at health fairs and local clinics or events, too. There may be a charge for your flu shot at these locations. If you choose this option, please get a written record of your vaccination to give to your VA health care provider.

Influenza, or flu, is a contagious virus that spreads through coughing or sneezing, and is related to thousands of hospitalizations and deaths every year. Getting immunized is the single best way to protect yourself and your loved ones from getting sick this flu season.

VA's partnership with Walgreens is just one way we're making it easier and faster for you to get immunized — and stay healthy. Now that's seamless service and better access!

Sincerely,  
 Your VA Health Care Team

**ATTENTION VETERAN:** Please bring this letter with you if you choose to participate in the VA Retail Immunization Care Coordination Program at a local Walgreens between August 15, 2018 and March 31, 2019 to get your no-cost flu shot.

**ATTENTION WALGREENS PROVIDERS:**  
**Plan ID:** IMZ Recipient Number. Please use patient's social security number.  
 Please verify the patient is enrolled in the VA health care system by asking for the VA ID Card Group Number: VAFLU
